cersanit

INVERTO BY CERSANIT SPA 180X80 OVAL FREESTANDING BATHTUB

COLLECTION INVERTO BY CERSANIT, INVERTO BY CERSANIT BATHTUBS

PRODUCT CODE:	S301-372

Product description

Treat yourself to luxury in the style of a professional SPA. The INVERTO by Cersanit by Cersanit SPA freestanding bathtub has a streamlined shape and softly rounded sides. It has ultra-thin 10 millimeter SLIM walls that make it look classic and elegant. On both sides of the bathtub there are comfortably contoured backrests for a relaxing bath for one or two people. The bathtub is made of the highest quality acrylic, has a reinforced bottom and a factor that prevents the adverse effects of UV rays, which will ensure its snow-white color for many years. If a white click-clack siphon is selected for the bathtub, its surface will gain a uniform colour. The INVERTO by Cersanit by Cersanit SPA freestanding bathtub will perfectly match the freestanding faucets from the INVERTO by Cersanit by Cersanit collection in chrome, black or gold.

Technical data
