Product description

The ZEN by Cersanit collection is characterized by a refined to perfection combination of harmonious shapes and high-end design, which will bring a calming aura to any interior - regardless of its style or size. The thermostatic wall-mounted shower faucet includes a high-end thermostatic cartridge and SafeTouch technology with fitting body cooling. It also has a function of precise temperature setting (locked at 38 °C) which, combined with the SafeTouch system, ensures high comfort and safety of use. The uniqueness of ZEN by Cersanit products in the gun metal finish is also evidenced by the surface finish of the fixtures, which has been protected with a wear-resistant PVD coating. The product comes with a 12-year warranty on the body and a 3-year warranty on the thermostatic cartridge.
