Product description

CITY by Cersanit is a collection of bathtubs that fit in perfectly with modern design. Its soothing lines are a promise of the deep rest and detachment from the hustle and bustle of the CITY by Cersanit. The seat and backrest are designed in accordance with the principles of ergonomics, thanks to which a comfortable and relaxation conducive position is found naturally. The finishing of the bathtub makes it easy to keep perfectly clean, as well as maintenance-free for years. The set includes adjustable, solid bathtub feet. The CITY by Cersanit bathtubs are complemented by the available elegant and easy-to-install VIRGO by Cersanit casings. We recommend choosing the Cersanit automatic siphon.
