

## ENTER II FLUSH BUTTON BLACK MATT

### COLLECTION ENTER II

PRODUCT CODE:

K97-0574

### Product description

The ENTER II flush button is distinguished among other products by a simple and aesthetic design. The model has large rectangular keys protruding at an angle in relation to the main body of the button and the wall. Thanks to the slight inclination, the use becomes extremely comfortable. The button is made of plastic with a black matt finish. The button fits the AQUA and SYSTEM (K97-524; K97-526; K97-525) concealed systems. Button is compatible with FRESH SYSTEM - a perfect solution for anyone wishing to use fresheners with CleanOn (no rim) wall hung bowls. A total and fresh solution for all-round toilet hygiene. The refined design of the button ensures easy and quick installation.
