

TAKO SHOWER TRAY RECTANGLE 120X90X16 BUILT-IN-PANEL

[COLLECTION TAKO](#)

PRODUCT CODE:

S204-028

Product description

Rectangular shower trays from the TAKO series with a height of 16 cm are perfect for modern bathrooms. They are made of the highest quality acrylic resistant to UV radiation, which means that the white color remains intact for many years of use. Double reinforcement with resin and fiberglass guarantees solidity and durability. The shower trays have an integrated panel and a universal drain Ø 90 mm. The high quality of the product is confirmed by a long-term warranty.
